God be merciful unto us, and
bless us, *And* cause his face
to shine upon us; Selah.
That thy way may be known
upon earth, Thy saving health
among all nations.

Psalm 67:1,2

Can You Help With Our Security Project

The front property of the church is not enclosed. Therefore people use this as an opportunity to take a short cut. We need 2000 dollars to finish enclosing this area with a security fence. This is for safety during services and for our children. If you can help, it would be greatly appreciated.

MINISTRY NEWS

♦ We have been praying for the men who come to the monthly men's meeting. Several of these men are lost or not attending church. We are using these meetings to reach out to them. The May men's meeting was a family cookout. Two of the men brought their families.

♦ I am teaching a class on the Life of Christ on Wednesday nights. Three of the fourteen taking the class are receiving seminary credit.

♦ Our Seniors group meets once a month on Saturday. We've encouraged the faithful ones to invite neighbors and friends to attend with them. We are waiting to see the results.

Health Report

I mentioned I am having my yearly check up. Since I changed doctors, my doctor retired, I was sent to do a stress test, colonoscopy, and other exams. Everything was good except I have been prescribe two new medications. I have lost some weight and have been able to walk and play 18 holes of golf on a few occasions. We appreciate your prayers for our health.

Prayers and Support are Appreciated

Dad's Earthly Journey Is Over

My Dad passed away March 16th, 2018 on his 93rd birthday. Dad was a veteran of the Normandy D-Day invasion. After the war, he worked in the oil fields of West Texas. He took a second job as a painter. He loved to play golf and fish. He was a member of Grace Baptist Church in Glenrose, Texas for 19 years. Mom passed away on March 15th, 2004, curiously, their funeral services were held March 19 at 2 p.m. fourteen years apart.

Evangelism Outreach

Special days such as birthdays, baptisms and anniversaries are very important in the Uruguayan culture. We want to take advantage of these opportunities to reach out to the unchurched. Santiago and Yamila Fernandez asked to dedicate their newborn daughter to the Lord. They sent out special invitations to family and friends. Fifteen visitors came to the special service. The family and friends were invited to stay for a reception after the service. This allowed us to interact with the visitors. It was a time of refreshments and photos.
