Dear Praying Friends,

“Great is the Lord and greatly to be praised.” Our hearts are full of praise to our Lord for HIS goodness, blessings and HIS guiding hand upon us! We also praise the Lord for you and your faithfulness in standing and laboring with us and the Lord’s Work here. You have been praying, giving and encouraging us in many ways for many years. Thank you, please be assured of our prayers for you.

We praise the Lord for giving to us blessed services with first time visitors at every service for quite some time and for scriptural, powerful preaching that was convicting and instructing to many listeners!

One of the highlight of our church was the visit of a group of students from The Baptist College International of Romania with their administrative director Tim Tyler of BIMl. They were a great blessing and did an excellent job with the teens, they were impressed. The group also was a great help in our evangelistic outreach in front of our church. The church people liked their harmonious singing, Brother Tyler’s excellent preaching, they wished they could stay with us!

We like for you to pray with us for a number of urgent requests.

Our teens and young people are a great concern to us as you know in our time, it is difficult for them to live a dedicated life for Jesus Christ. The couple that was leading them because of their job had to move to a different location. We are praying and looking for a dedicated godly couple with a calling and a heart for our young people.

With our children we have a similar situation, some of the older teachers have left for various reasons, now some younger people are being trained to teach the children. We pray that the Lord’s hand be upon them.

Another great concern are the people in the church that profess to be saved, however, they are not dedicated to the Lord and do not follow the Lord with all their hearts. Please pray with us that we will have a big baptismal Service, in the near future.

We thank you very much for your fervent prayers. May the Lord richly bless you.

Yours for the Harvest,

Walter Hornung
