Did you know that London has 4 UNESCO world heritage sites: Tower of London, Maritime Greenwich, Westminster Palace & Kew's Royal Botanic Gardens?

EMBARKING ON A NEW CHURCH REPLANT

In this issue, the Reeves family has begun ministry work on a new church replant in southeast London, the Reeves family dog was hit by a car, and Justin Rhoades recently got engaged.

Our Ministry

Big news! We are thrilled to announce that one of the churches we have been meeting with over the past year that did not have a pastor has formally requested that Tarl take on the main leadership role for their struggling church. Justin is also coming on board as well, to help lead at the church. This small but wonderful church in Welling, located in southeast London, has suffered over the years with a dwindling congregation and health-related issues within its membership. This faithful church of 12 members has determined not to go quietly into the night by closing their church doors forever, but instead has chosen to carry on as a lighthouse for the gospel in their community.

Tarl preaching at the new church replant in Welling

As a result of our mutual longing for renewal and revitalization at this church, our family is excited to come alongside this church, not only to get them back on their feet, but to help establish them as a launchpad for further church-planting endeavors. It's our desire for this church in Welling to become a church-planting church! Please pray for our family as we transition to this new church work

The church in Welling is currently being renovated

First Sunday back in the building after 18 months

in another part of London, and for all the new ministries we will be starting in 2018.

Our Family

Lucy and Griffin had a scary event happen last month! Tarl was walking the children to school with the family dog, Einstein, in the morning. Suddenly, Einstein somehow escaped from his collar, ran out into the road, and got hit by a car. Thankfully, he emerged with only a broken leg. We are praying that his leg continues to heal properly, and that he won't need surgery, which can be quite expensive!

Our Field

We are delighted to share that our missionary colleague, Justin Rhoades, recently got engaged to Rachel Graham, a young lady from the UK. They are planning on getting married this August in London. We are excited that Justin will continue working as a missionary with us in England and will now have a wife working alongside him too!
