

# Prayer Update From North Africa!

This past weekend we were blessed to have our friends, Rashid and Hannan visit and stay with us for a few days. God is using this married couple greatly to advance his light here. They are from Northern Morocco but moved to a town one hour south of us to begin a church plant. They have faithfully plowed for a year now. They were an encouragement to us as we are in the beginning stages of church planting here...As we drove by one of the main Mosques in town with the call to prayer ringing out and people spilling out into the streets to pray, Hannan gave audible praise to God saying, "Praise Jesus we have been freed from such a lie!" A reminder to us that God is freeing people from the lies of Islam! All the glory goes to him as we shine his light to those still in darkness while anticipating in faith the freedom of his grace to reign! Thank you for your faithfulness to plow with us. We love and appreciate you! Here are some things to take before the Father on our behalf over the next few weeks:

- Pray for "Rashid" & "Hannan" as they serve Christ in Tiznit, a town 1 hour south of us. Pray for steadfastness and growth for them and their church.
- Please continue to pray for "Yassin" and his wife. Brother "Rashid" and I were able to visit them in their home last week. We sat for over 2 hours answering questions and hearing more of their story. We believe they are close to believing. Pray that God's truth will reign in their hearts and shine light on any doubts, giving faith and new life!
- We continue to meet as a team to worship Christ in Arabic every week. There are several people right now interested in coming. Pray for God to work and to build his church. Pray also for us as we wait on God to move that we would remain confident in his promises!
- Pray for my friend "Oathman." A few weeks ago we began running together in the early morning, a great opportunity for conversation! We have had several discussions on the Gospel and what it means to fast. Pray that he will see the truth and the truth will set him free from religious bondage!
- Please pray for these people on our street that we are getting to know: Bouaza, Brahim, Abrar, Amina, Hassan, Mohammad, Oathman. Pray that we will be salt and light in our community and that God would open up doors for many gospel conversations!
