Dear Pastor Alley and members of First Baptist Church at Coconut Creek,

40 years ago we opened a new ministry in Nanyuki, Central Kenya. Our hearts were burdened for "regions beyond" (2 Cor. 10:16), and Nanyuki was an ideal base for reaching into the vast Northern Frontier, and *beyond* that, into one of the most difficult mission fields in the world: ***Somalia!*** Our dream of reaching Somali people has been in our hearts for these 4 decades! Finally, in God's timing, we are beginning to see inroads into this unreached people group!

We discovered recently that one of our evangelists has been making frequent trips to refugee camps along the borders of Kenya. Let's call this evangelist "Paul" since revealing his name would surely put him in great danger. ("Paul" is a fitting pseudonym, because the Apostle Paul, too, was a "regions beyond" man). Our "Paul" has been quietly and effectively evangelising, planting churches, and discipling leaders for years in our Mt. Kenya region of Central Kenya, but his vision has recently expanded to the largely Muslim refugee camps on the borders of Kenya.

We also learned that "Paul" speaks *eight* languages already, and is now working on his NINTH language – Arabic – in order to share the Gospel more effectively in these border regions.

We were recently blessed to meet three of his converts. As I type this letter, I'm fighting back tears of joy as I remember their testimonies of faith in Christ and *seeing them follow Him in believer's baptism!!* Their boldness and their love for the Saviour are astounding.

Please pray for "Paul" as he continues to hazard his life for the sake of the Gospel (Acts 15:26). If you wish to invest in his ministry, please send it to my account with a note: "Paul's ministry". I'll see that he gets it.

Brother Adam, First Baptist Church at Coconut Creek's financial investments of \$300 in April through June were very much appreciated!

May God bless you for your concern,
