

Greetings from Romania!

Thank you so much for your faithful support---both prayer and financial. Especially, at this time. It was 2 months yesterday since Ralph went to Heaven. It has been a very busy 2 months. Hard to think that everything just goes on when everything in your life has changed, but it does.

The Avren Project is progressing well. The missionaries are working together to finish Ralph's dream. Thank you again to those who helped financially to make this Project possible.

The Turkish church meetings are going well. They do miss Ralph so much!! He had been with them since the very beginning.

The Casa Julia Kids, Ralph's grandkids, finally all finished the school year. They are glad for the 2 month break now.

We had our first English-language camp meeting without Ralph, our Senior missionary. It was a blessed time of rejoicing in the Lord.

A mission group from Texas came to put down a new floor in the Home living/dining room and help in a village. A good time was had by all!

Thank you to those who sent a special "In Memory of Ralph" love gift. We appreciate your thoughtfulness.

Please do continue to pray for the ministries here and in Bulgaria. The work goes on just as Ralph began it so many years ago under the Lord's leadership. He trained the missionaries, then turned the work over to them. The work is in good hands with the Lord at the center.

I continue on as the Casa Julia Kids' Grandy. I am blessed to be here, so close to Dave and Dara. They take good care of me. I thank the Lord for them and all our grandkids.

In His Lovely Name,
Sandy
